DAYTON CHAPTER

We hope you are enjoying your summer!

President's Message

As I close my year as President of your Dayton IMA Chapter, I would like to thank my fellow board members, the general membership, and the more than twenty area professionals who contributed their valuable time to fill our speaker schedule with many excellent CPE presentations throughout the year.

One year ago I proposed three goals for the chapter: to update our chapter website, to update our chapter program book, and to increase attendance at our monthly dinner meetings.

One year later, I can report that our new website has been launched with design assistance from a local web developer, the chapter program book has a new look and was produced in a way that allows us to retain the digital master, our monthly dinner attendance held steady, we enjoyed a greater than 90% renewal rate of the chapter membership, and the chapter placed 24th in the Stevenson Division (large chapter) Division in the annual chapter competition.

The chapter directors have already begun planning for the 2009 – 2010 meeting year under the leadership of our new chapter President, Paul Myers. Board members already met in June to begin developing our list of guest speakers and to identify the important emphasis areas for the coming year. The board will also have two new members this year, Joe Bennett as Director of Speaker Management and Donna Staker as Director of Public Relations.

Once again, I would like to extend my thanks to all those who contributed to our recent successful year. I hope everyone enjoys a safe, relaxing, and prosperous summer. See you in September at the next chapter dinner meeting.

Tony Griffin
President
